**TEC SELECTED TO PROVIDE QA/QC FOR NEW
NORDTROM STORE AT TWELVE OAKS MALL IN NOVI**

NOVI -- Testing Engineers & Consultants was selected to provide the construction testing and inspection for the new Nordstrom Store at Twelve Oaks Mall in Novi, MI. The two-story 165,000 square foot store located on the southeast corner of the mall, is scheduled to open this fall.

With offices in Troy, Ann Arbor and Detroit, TEC provides professional engineering consulting services in the environmental, geotechnical, facility engineering fields, and construction materials testing and inspection services.
