**SUHAN RECEIVES THE FRANKLIN D. MEYERS, PE OUTSTANDING CIVIL ENGINEER OF THE YEAR AWARD BY ASCE SE -- MICHIGAN BRANCH**

**Troy, Michigan** – Carey J. Suhan, PE, Vice President and Principal at Testing Engineers & Consultants, Inc., received the prestigious award at the Southeastern Michigan Branch of the American Society of Civil Engineers (ASCE's) annual meeting held at the Book Cadillac Hotel in Detroit.

This award is given based on an individual's contributions towards the advancement of his/her profession through innovative designs, doctoral studies, or ethical practices as well as active participation in professional societies and community service.

Mr. Suhan has been a devoted member in good standing with ASCE, as well as several other professional organizations. Specifically, his membership in the SE Branch of ASCE has spanned several decades and includes contributions as Past President, President, President Elect, Secretary, and Treasurer, as well as Annual Meeting Chair and Director. He was also President of the ASCE Student Chapter of the University of Michigan and active in the ASCE Concrete Canoe competition while at U of M.

ASCE is a non-profit organization whose mission is to provide essential value to their members, their partners, and the public by developing leadership, advancing technology, advocating lifelong learning and promoting the profession.

TEC provides client support from property acquisition through construction, renovation, and restoration. Expertise includes environmental and geotechnical engineering and consulting as well as facilities engineering, construction materials testing, indoor air quality and asbestos, lead and mold management services. Founded in 1966, TEC has offices in Troy, Ann Arbor, and Detroit.
