**TEC SELECTED TO PROVIDE QA/QC FOR NEW
TOYOTA RESEARCH CENTER IN YORK TOWNSHIP**

Testing Engineers & Consultants (TEC) has been retained by Toyota Engineering and Manufacturing, to provide the construction materials testing and observation during the construction of the \$26 million, E3 Office Building at the Toyota Research Center in York Township, Michigan.

With offices in Troy, Ann Arbor and Detroit, TEC provides professional engineering consulting services in the environmental, geotechnical, facility engineering fields, and construction materials testing and observation services.
